

**Doctors Hospital, Inc. &
Baptist Health Medical Group Orthopedics, LLC
CJR Collaborator Quality Criteria**

1. Doctors Hospital, Inc. and the Baptist Health Orthopedic Care department are devoted to patient care, teaching, research and other activities benefiting the public and community. Doctors Hospital and select Baptist Health Orthopedic Care physicians providing Joint Replacement are participating in the CMS/CJR Bundled Payment Program. This policy is intended to provide criteria for physicians participating in CMS/CJR financial sharing arrangements.
2. **APPLICABILITY.** Participation in CJR financial sharing arrangements is available to physicians who meet the following quality-related criteria:
 - a. Physicians must be board-certified in orthopedic surgery by the American Board of Orthopedic Surgeons or the American Osteopathic Board of Orthopedic Surgeons, or eligible for and actively seeking initial certification.
 - b. Be and remain a member in good standing of the organized medical staff of the participating hospital and have privileges granted by Doctors Hospital's Medical Staff to perform joint replacement procedures.
 - c. Assign a Baptist Health-affiliated care coordinator for at least seventy-five percent (75%) of Collaborator's Beneficiaries that are scheduled to undergo a LEJR Procedure
 - d. Physicians agree to comply with quality reporting and other requirements set for in the Collaborator Agreement.
 - e. All participating physicians must participate in CMS/CJR Advisory Meetings
 - f. All participating physicians must use EBCC clinical pathways/order sets
 - g. All participating physicians participate in evidence based changes to improve functional outcomes
 - h. All participating physicians participate on cost management on the continuum of care to assist meeting cost thresholds set forth by CMS for total joint replacements.
3. **EFFECTIVE DATE:** This policy shall be effective September 1, 2022.
4. **AMENDMENTS.** This Policy maybe changed at any time at the discretion of the Chief Operating Officer of Baptist Health Orthopedic Care.
